

TABLE OF CONTENTS

<u>SECTION</u>		<u>PAGE</u>
A	Introduction and Overview.....	A-1
	Southeastern Transportation Alliance.....	A-1
	Study Setting	A-2
	Study Purposes	A-3
	Public Outreach	A-4
	Study Team Approach.....	A-4
	Trade and Economic Development Opportunities (Section B).....	A-5
	LATTS Strategic Transportation System (Section C).....	A-8
	Investment Needs Perspective (Section D)	A-9
	Investment Strategies (Section E)	A-13
B	International Trade And Economic Development Opportunities.....	B-1
	Historical and Current Trade Patterns	B-1
B1	Existing Trade Flows	B1-1
	Trade Database.....	B1-1
	Three International Trade Components.....	B1-2
	LATTS Trade Database.....	B1-4
	Commodity Sectors	B1-4
	Trade Volume Measures: Tonnage Versus Value	B1-8
	Trade Summary	B1-8
	Seaborne Trade and the Alliance Region.....	B1-9
	Alliance Region Air Cargo Trade	B1-22
	Alliance Region Cross Border Trade with Mexico	B1-27
	Cross-Border Trade Commodity Groups	B1-27
B2	Latin American Trade Forecasts	B2-1
	Base Case Trade Forecast.....	B2-1
	High Case Trade Forecast.....	B2-7
	Sensitivity Analysis	B2-11
	Major Findings	B2-14
B3	Tourism, Business, and Services Travel	B3-1
	Latin American Tourism in the U.S.	B3-1
	Latin American Tourists and the Southeastern Alliance	B3-4
	Business and Services Travel to Latin America.....	B3-10
	Infrastructure Expansion.....	B3-11
	Business Services Trends and Data.....	B3-11
	Mexico	B3-12
	Management Expertise.....	B3-14
	Southeastern Alliance Travel to Developing Regions.....	B3-15
	International Leisure Travel From the Southeast.....	B3-16
	Alliance Travelers' Occupational Profile	B3-19
	Cruise Industry.....	B3-21

<u>SECTION</u>	<u>PAGE</u>
B3 (cont'd)	
Southern Cruise Ports	B3-21
Characteristics Affecting Cruise Port Success.....	B3-22
Metropolitan Population.....	B3-25
Southeastern Alliance Cruise Growth.....	B3-27
B4	
Economic Development Impact of Latin American Trade.....	B4-1
Summary of Economic Development Impacts	B4-1
Economic Development Implications	B4-7
Clusters and Economic Development.....	B4-11
Hemispheric Integration: A Look at Trade Balances.....	B4-12
Economic Impact	B4-15
B5	
International Trade Agreements and Barriers	B5-1
Trade Barriers.....	B5-1
Motivation for the Free Trade Movement.....	B5-4
Impact of Trade Agreements on Global Trade.....	B5-5
Principles and Evolution of Trade Agreements.....	B5-6
The Evolving Nature of Latin American Regional Trade Agreements	B5-10
Motivations for a Western Hemisphere Regional Trade Agreement	B5-13
Other Trade Constraints	B5-15
B6	
Business Development Opportunities.....	B6-1
Target the Incremental Growth Component.....	B6-1
Growth in Exports Passing Through the Alliance Region	B6-1
An Opportunity for the Alliance	B6-5
The Alliance Needs to Remain Competitive	B6-5
Latin American Exports Markets	B6-5
C	
LATTS Strategic Transportation System	C-1
LATTS Strategic Transportation System	C-1
A Multimodal Transportation System	C-1
Process for Defining the LATTS Strategic Transportation System ..	C-2
Summary Features of the LATTS Strategic Transportation System	C-3
C1	
LATTS Strategic Port System	C1-1
Port Criteria	C1-1
LATTS Strategic Port System.....	C1-5
C2	
LATTS Strategic Airport System.....	C2-1
Airports Identification Process and Criteria	C2-1
LATTS Strategic Airports	C2-5
C3	
LATTS Strategic Rail System.....	C3-1
System Designation Criteria	C3-1
LATTS Rail Traffic	C3-5

<u>SECTION</u>	<u>PAGE</u>
C3 (Cont'd)	
Rail Traffic Types.....	C3-5
Tonnage	C3-5
Significant Traffic Generators and Flows.....	C3-8
Rail System Implications.....	C3-18
Strategic Rail System Adjustments.....	C3-19
Final Strategic Rail System.....	C3-23
C4	
LATTS Strategic Highway System.....	C4-1
Highway Identification Process and Criteria	C4-1
LATTS Strategic Highway System.....	C4-6
LATTS Highways vs. LATTS Trade Corridors	C4-8
Waterport and Airport Intermodal Connectors	C4-20
D	
Investment Needs	D-1
Total Investment Needs.....	D-1
D1	
Investment Needs for the LATTS Strategic Port System	D1-1
Database	D1-1
Performance Measures and Methodology	D1-2
Calculated Practical Capacity	D1-6
Maximum Practical Capacity.....	D1-6
Capacity and Throughput Estimates-Current.....	D1-7
Throughput Estimates-Future	D1-11
LATTS Projection Model.....	D1-11
General Methodology	D1-12
Future Needs Estimates	D1-13
Conclusions	D1-17
D2	
Investment Needs for the LATTS Strategic Airport System.....	D2-1
Baseline Freight Volumes.....	D2-1
Baseline Cargo Buildings.....	D2-1
Air Cargo Forecasts.....	D2-5
Additional Cargo Building Requirements	D2-6
Cargo Ramp and Apron Area Requirements	D2-8
Infrastructure Needs Cost Estimate	D2-8
D3	
Investment Needs for the LATTS Strategic Highway System.....	D3-1
Overview.....	D3-1
LATTS Strategic Highway Network.....	D3-1
Needs Categories.....	D3-11
LATTS Highway Connectors	D3-39
Jurisdictional Responsibility for LATTS Connectors	D3-40
Connectors with Pavement Problems.....	D3-41
Connectors with Geometric/Physical Problems	D3-42
Summary	D3-46
